**Wave Hill** is a 28-acre public garden and cultural center overlooking the Hudson River and Palisades in the northwest Bronx. Award-winning gardens, greenhouses, and woodlands offer people of all ages the opportunity to explore their connections to the natural world. Programs are offered in horticulture, environmental education, woodland management and the arts.

Wave Hill is operated by an independent non-profit organization. Its buildings and grounds are owned by the City of New York. With assistance from Bronx representatives in the City Council and State Legislature and the Bronx Borough President, Wave Hill's operation is supported with public funds through the New York City Department of Cultural Affairs, the Zoos, Botanical Gardens and Aquariums Grant Program administered by the New York State Office of Parks, Recreation and Historic Preservation, the New York State Council on the Arts—a state agency, and the National Endowment for the Arts. Foundations, corporations and individuals also contribute vital support.
