Field Trips

Forest Project at Wave Hill
Field trips usually combine a work project with a tour or guided activity, led by an onsite expert.
Bronx River Alliance

A restoration project with the **Bronx River Alliance** was followed by a canoe ride down the Bronx River.
Mianus River Gorge

A hike in the Mianus River Gorge helped us learn about old growth forests.
Alley Pond Park

Students learned about restoration efforts at the freshwater kettle ponds and saltwater marshes.
Eagle Street Rooftop Farm

A trip to the Farm offered an opportunity to learn about urban farming.
Pelham Bay Park
Our annual end-of-summer trip: field work, a barbecue and a scenic hike.
A perfect way to end the summer!
