

BECOME A WERM!

Participate in Wave Hill's 14-month Woodland Ecology Research Mentorship

This 14-month-long program offers motivated New York City high school students a unique opportunity to gain in-depth knowledge of NYC ecological restoration efforts and conduct important field research with working scientists—all while getting paid!

JULY 2018 THROUGH AUGUST 2019

Summer 2018: Five days per week for approximately 30 hours per week

Academic Year 2018–2019: Meetings most Saturdays, for approximately five hours per week

Summer 2019: Five days per week for approximately 30 hours per week

Applicants must be available for all three phases of the program

Qualifications

- Currently enrolled in the 9th, 10th or 11th grade in a New York City high school
- Strong interest in science research and the urban environment
- Strong academic record, especially in the sciences
- Ability and motivation to work independently

Program Compensation & Benefits

- Competitive stipend
- Six college credits for successful completion of coursework
- 30 hours of community service (with opportunities to earn more hours)
- Career and college advice and alumni network

Application Deadline: April 1, 2018

Apply online at wavehill.org/education
