

# Welcome Summer At Wave Hill

Open year-round, this spectacular oasis and cultural center overlooks the Hudson River and Palisades. Wave Hill's mission is to celebrate the artistry and legacy of its gardens and landscapes, to preserve its magnificent views and to explore human connections to the natural world through programs in horticulture, education and the arts.

## Explore Summer Gardens

A Wave Hill summer is lush and relaxing. Explore 28 acres of gardens and woodlands rich in plant diversity or find a quiet nook to enjoy the ambiance. Discover a release from the city's heat alongside tropical flowers, amongst flowing grasses or under the wide shadows cast by one of Wave Hill's great trees. To learn more, join a free Garden Highlights Walk on Sundays or a free Plant Pick-of-the-Day on Wednesdays.
